

Atomium

Event venues

Your event between heaven and earth...

That is what you offer to your invitees when organizing an event in the Atomium.

Not only a unique realisation and one of the most fascinating buildings in the capital of Europe but also an exceptional event location with a breath-taking panoramic view over Brussels.

Your event will be original and filled with never seen architecture mixed with culture for your professional or private event.

The Atomium is very well located, close from the airport and the Centre of Brussels and easily reachable by public transport.

Spheres from stainless steel, impressive escalators and beautiful

staircases from the end of the 50's, tubes from about 29 meters long which allow you to travel through the permanent and temporary exhibitions.

An international brand mark with several event-options like meetings, receptions, dinners, conferences, birthday parties, ...

Event-rooms from 10 up to 200 guests during the opening hours and even up to 800 guests after 6pm!

After sunset, before you have entered this amazing building, you can see the lights of the Atomium twinkle like stars in heaven.

An image that will definitely bring a smile on everyone's face, a first wonderful impression leading to a successful event.
